MURPHY'S YARD FIRST PUBLIC CONSULTATION

You're invited to shape the future of Murphy's Yard. The site is home to J. Murphy & Sons Ltd, who have been part of the community for over 55 years. Murphy's will be staying on site.

This first consultation will:

- Introduce you to the project team
- Present the existing Murphy's Yard site
- Demonstrate the site's constraints
- Understand policy frameworks
- Discuss potential opportunities
- Give you the chance to leave feedback

We want to hear your thoughts on how this site can become a vibrant and inclusive neighbourhood.
